As you are aware, NJ TRANSIT cut over to a new payroll system on October 1, 2014. Unfortunately, we have had a processing error with this new system that impacted our rail employees who receive their paycheck via direct deposit. If you have a direct deposit account with a banking institution other than Bank of America, your deposit will be posted tomorrow October 3, 2014.

NJ TRANSIT will reimburse you any overdraft charges/fees incurred associated with this delay.
