Re: Speed/Safety Seal payment

Dear Mr. Brown,

This will confirm that effective July 1, 2016, Locomotive Engineers will be allowed a 15 minute straight time payment for checking safety/speed control seals. These payments will be allowed on the same basis as the certification payments as outlined in Rule 56 (FRA Certification) and the June 22, 2016 letter pertaining to the FRA Certification payment.

If you concur, please sign below.
